BEING AN ACADEMIC SCIENTIST IN GERMANY

What motivates me for academic research?

Becoming a group leader: boosters for success and potential pitfalls

Nuno Guimarães Camboa did his PhD at the University of Porto, Portugal, and the University of California, San Diego, USA. He stayed at the University of San Diego for his postdoctoral research before becoming a research fellow at the Humanitas University in Milan, Italy. In 2018 he received a DZHK Junior Research Group Grant to establish his research group on cardiovascular regeneration at the Goethe University Frankfurt, Germany.
