

Lunchtime Career Talks

ALEXANDRA MOOSMANN

HOPP CHILDREN'S CANCER CENTER HEIDELBERG (KITZ)

THURSDAY 11.11.2021

1 - 2 PM

WORKING IN SCIENCE COMMUNICATION

Alexandra Moosmann is the former press officer at the DKTK and is now the Head of communications at Hopp Children's Cancer Center (KITZ). As a consultant for science communication, Alexandra combined her PhD in molecular biology with qualifications in science journalism and science PR. Her current projects include press work and communication strategies for research consortiums.

With over 10 years of biology research experience in Australia, Germany and Norway, Alexandra has worked and published on a diverse range of life science topics from molecular biology to cancer research and various agricultural and life science topics.
